We kindly invite you, children from all over the world currently living in the Czech Republic, to the multicultural event, where you not only explore more about our beautiful Czech culture, but also get to know other children foreigners and Czechs as well and find some nice Czech friends! An afternoon full of fun and joy, including exploring the beauty of Czech landscape, some outdoor activities (climbing wall, observation tower), some creative activities (ceramic and art workshops), even creating traditional Czech car's body and, also some magic tricks – will expect you, and much more! Let yourself be surprised! We from DDM – Monet look forward to seeing you and enjoy this together.

The programme is subject to alteration.
